FLEMING'S PRIME STEAKHOUSE & WINE BAR TO HOST DINNER BENEFITING PETIT FAMILY FOUNDATION

WEST HARTFORD, Conn. (July 14, 2011) – On Friday, August 26, friends and supporters of The Petit Family Foundation will have the opportunity to experience one of West Hartford's finest restaurants, **Fleming's Prime Steakhouse & Wine Bar**, while raising funds for the Foundation. One hundred percent of the evening's proceeds will benefit The Petit Family Foundation, a charitable fund established in honor of the memories of Jenifer Hawke-Petit, Hayley Elizabeth Petit and Michaela Rose Petit.

Fleming's Prime Steakhouse & Wine Bar will offer guests an evening of stylish and contemporary dining, creating a four-course dinner complete with wine pairings held in Fleming's private dining room. The event is part of Fleming's Charitable program, known as the "Fleming's Nights of Giving".

The multi-course menu will feature the wines of Farmington's WINAM Wines' American Boutique Collection. Each of WINAM's 28 wineries supports a different Connecticut 501-C 3 organization including the Petit Family Foundation. A new West Hartford retailer, Parkview Wine and Spirits, located at 229 Park Road in West Hartford, will feature each wine served at the Fleming's dinner and donate a portion of sales to the Petit Family Foundation.

During the summer, both Fleming's and WINAM will make a contribution to the Petit Family Foundation for each of the WINAM Wines served by the restaurant.

The fundraiser will take place on August 26, 2011, at 6:30 p.m. at Fleming's Prime Steakhouse & Wine Bar located at 44 South Main Street in West Hartford. Tickets are \$125 per person. To purchase tickets, please call Rolande Petit at 860-479-1436.

About The Petit Family Foundation

The Petit Family Foundation honors the memories of Jenifer Hawke-Petit, Hayley Elizabeth Petit and Michaela Rose Petit by continuing the kindness, idealism and activism that defined their lives. The Foundation's funds are given to foster the education of young people, especially women in the sciences; to improve the lives of those affected by chronic illnesses; and to support efforts to protect and help those affected by violence.
