The Petit Family Foundation
Dr. William Petit
P.O. Box 310
Plainville, CT 06062

Dear Dr. Petit,

Jane Doe No More was born of one woman's tragedy and has become a story of hope for so many. For the past ten years, our grass roots organization has been leading a movement to give survivors a voice and help to end sexual violence through education, awareness, advocacy, and support. Thank you for adding your **#voice2change** to our growing chorus by being our Presenting Sponsor at our 10th Anniversary Gala & Dr. Henry C. Lee Awards on April 28, 2017.

Sexual violence is the most misunderstood and under-reported crime in the world.

Your gift allows us to **expand our capacity over the next ten years** and continue:

- Educating society
- Protecting students
- Empowering survivors
- Enlightening first responders

There are now 40 male and female graduates of our Survivors Speak program who share their personal stories to educate others and encourage those still suffering in silence. We are **making the prevention of sexual violence personal** and the impact is profound.

"As a survivor of sexual violence, I'd like to personally thank you for your donation. The support of fellow survivors has been instrumental in my healing journey and it's so important to continue the programs and services Jane Doe No More provides." - Tracey B.

Together, Jane Doe No More is 10 Years Strong! We look forward to the future and truly appreciate your support.

Warmest regards,

Donna Palomba
Founder

Sandy Duffy
Vice President, Development

Thank you

No goods or services were provided in exchange for this donation.*

End Sexual Violence

No more shame. No more blame. No more fear.
