We would like to extend our heartfelt thanks to you and the Petit Family Foundation for your gift _____ to help support STEMfems: Women Transforming Our World (2016-2017), the third module in our DIY History series. This gift is not only greatly appreciated but very much needed as we continue to bring DIY History to educators and students across the state of Connecticut and continue to expand our programming over the summer. It was wonderful seeing you this past Friday and meeting your parents and other family involved with the Foundation. What a wonderful group of people!

As you know DIY History is a series of flexible educational modules based on selected Inductees' stories that teachers and other educators can use to bring women's history into the lives of young people, both in and out of the classroom. The program was created in response to needs identified by educators, and each module is directly keyed to the Common Core State Standards. STEMfems is specifically designed to educate and empower girls and help them see the possibilities open to them as they develop confidence in their ability to pursue STEM careers. Your support allows us to build the necessary infrastructure to distribute STEMfems in the most cost-effective way and also ensures maximum impact as we concentrate our efforts to reach educators and students in under-served areas across the state.

Thank you again for the Petit Family Foundations generosity in supporting STEMfems: Women Transforming Our World. Together we are making a difference in the lives of women and girls in Connecticut.

Sincerely,

Kat

Kathryn Gloor
Executive Director

Your support has a huge impact on our reach - Thank you for this important partnership that will inspire many more girls to explore future STEM careers - we're grateful for your support!

No goods or services were provided in exchange for this contribution. The Connecticut Women's Hall of Fame is an exempt organization as described in Section 501(c)(3) of the Internal Revenue Code; EIN 06-1492895
