Dear Ms. Ierna,

I can't begin to thank you enough for your donation to Saturday Academy for our Invention Science Camp. We are thrilled and grateful for your support.

Your donation will go a long way to help us continue to ignite the **SPARK** in girls for STEM (science, technology, engineering & math). Girls engaged in STEM activities can become the future innovators and inventors of the 21<sup>st</sup> century.

Sincerely,

Dr. Cynthia Barnett
