Dear Friend,

The Petit Family Foundation was created to continue the attributes that Jennifer, Hayley, and Michaela practiced on a daily basis-kindness, idealism, and activism.

It is with those attributes in mind that the Petit Family Foundation invites you to become a sponsor of our first annual "An Evening Honoring Women in Science" Event at the Connecticut Science Center in Hartford on Thursday, November 17, 2011 from 6:30 to 9:30 p.m.

Bound by our commitment "to foster education of young people, especially women in the sciences," a highlight of the evening will be the honoring of a select group of women who are known to be at the top of their scientific field.

Joining us for the evening will be GE's Chairman & CEO, and my Dartmouth classmate, Jeff Immelt. Higher-level sponsors will also have a rare opportunity to attend an exclusive "Pre-Event" presentation by Mr. Immelt in the Science Center Theater.

Guests will be encouraged to explore the exciting multi-level, hands-on exhibits, participate in a Silent Auction, and, of course, enjoy fabulous food, beverages, and lively conversation.

*Sponsorship includes many practical benefits as well, such as increased visibility within the Greater Hartford and Connecticut business communities, an opportunity to network with a large number of corporate and community leaders, and an opportunity to showcase tangible evidence of your support in the areas of education, innovation and science.*

Please take a moment to review the enclosed sponsorship opportunities. If you have questions or would like more information about sponsorship please contact Ron Bucchi at (860) 543-9679 or [bucchi@comcast.net](mailto:bucchi@comcast.net). We thank you very much for your support and hope that you will be a part of our extraordinary event.

Sincerely,

Dr. William A. Petit, Jr.

#### ABOUT US

It is our hope, the **PETIT FAMILY FOUNDATION** goal, that we continue to raise and distribute funds to fulfill our mission to help educate young people especially those with interests in science, to help support those with chronic illnesses, and to help protect those affected by violence.

We have all seen the many great things which have been inspired by the lives and memory of **JENNIFER, HAYLEY, and MICHAELA PETIT**, which enable us in turn to follow their example to help more and more people each year. This is a tall order, and we look to all who care to help us attain these goals.

**“Go forward with the inclination to live with a faith that embodies action: help a neighbor, fight for a cause, love your family.”**

-Dr. William A. Petit at Jennifer, Hayley, and Michaela’s memorial service at Central Connecticut State University on July 29th, 2007
