

Dear, Petit family foundation, Thank you for giving use this chance to go to girls in Science. Thank you for creating girls in Science becuase now we know I now about sience. My funesist thing was learning about DNA and light. We did lot of fun thing like Slash point and ice Cream. That is what I did. P.S I hope you do it nice year.

Thank you For giving us the opportunity to learn something we did not know much about. We learned about bacteria, Dna, Flies, Pipets, Photon, color and light.

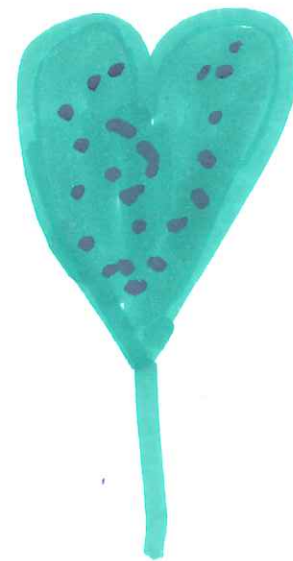

From,
Alicia

Thank you

From , Shadar, Zane

Thank You for
The Opportunity to Learn
about women in Science.

Thank you so much.

Dear: Petit Family
Foundation.

Thank you so much
what you did.

I Learn how to

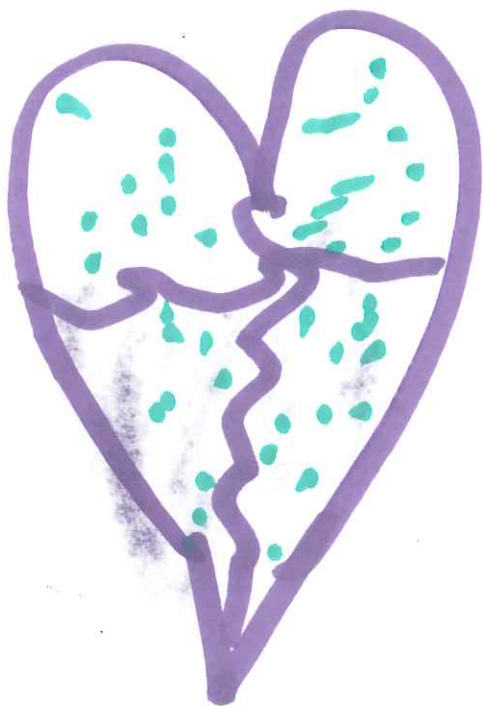

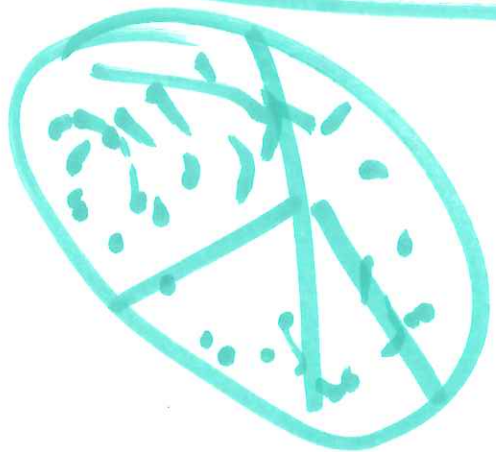

make ICE cream
homemade at
Green St.

Have a great
Summer.

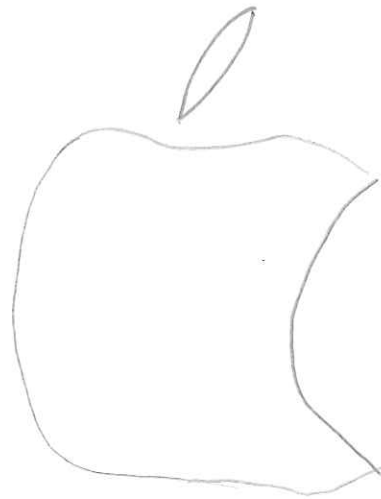

From: TyShayla

Thank you!

Hi

Hi

Send

Dear Petit Family Foundation,
Thank you for the opportunity to learn about women in science.
We had fun learning about physics. We learned about DNA and
fruit flies. We also had fun going to Wesleyan. I had fun
going to see ms. Ruth's and ms. Chris's lab.
