Dear Dr. Petit: *Bill - THANK YOU!*

Malta House of Care is turning 10 years old this year, and what a decade it's been.

Ten years of *free* primary health care: 38,000 patient visits; 300+ volunteers; \$20 million in savings to hospitals – we have much to celebrate, and we are so grateful that you have agreed to be part of it by serving as a Benefactor Sponsor for our 10th Anniversary Event. By purchasing a Benefactor Sponsor package, you are contributing to Malta's future success by providing the financial support that is so critical our mission of care.

Without you and other generous donors, as well as our amazing corps of volunteer medical professionals, we could not continue to provide the high-quality primary care, diagnostic testing, and life-saving pharmaceuticals that are a lifeline for thousands of people in the Greater Hartford area. We – and our patients – thank you from the bottoms of our hearts.

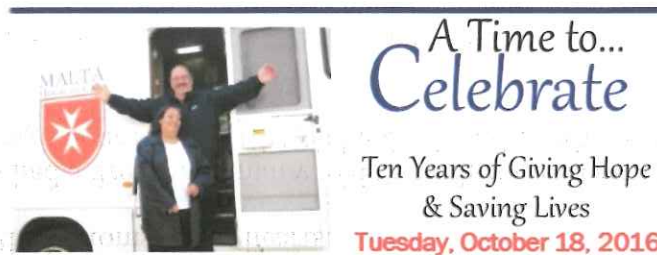

Ten years ago our founders had a dream and many told them they were crazy to try -- but that only made their resolve stronger. Through *your* support, the Malta Clinic will continue to provide those who are in need with compassionate, life-saving medical care.

Together, we will bring health and hope to those most in need. Saving lives...one patient at a time.

Warm Regards,

Barbara (Bobbie) Bartucca
Executive Director
