

The Nineteenth Annual **5K Road Race**
to benefit the **Petit Family Foundation**

“Be the Change”

The Petit Family Foundation was set up in the wake of the senseless tragedy in July 2007 that took the lives of Jennifer, Hayley and Michaela Petit. The Foundation’s mission is to honor the kindness, activism and idealism that were personified in these three women. The Foundation’s funds are given to foster the education of young people, especially women in the sciences; to improve the lives of those affected by chronic illnesses, and to support efforts to protect and help those affected by violence.

The race will include a competitive 5K Road Race as well as a Fun Run for children eight years old and under and a Fitness Walk for those who prefer to walk. The post-race activities will include an awards ceremony and a raffle. This event will provide family and friends the opportunity to unite against violence, support education and help others by modelling the kindness, activism, and idealism that Jennifer, Hayley and Michaela embodied.
